SWOT Analysis

Strengths

- Strong reputation in Al Obour with experienced coaches.
- Affordable pricing and free trial sessions.
- Strong parent relationships and personalized training.

Weaknesses

- Low brand awareness in New Marg.
- Weak branding and limited marketing budget.
- Heavy reliance on Facebook and inconsistent content.

Opportunities

- Growing demand for youth football training.
- Partnerships with schools and community organizations.
- Content marketing, referrals, and local events to increase awareness.

Threats

- Strong competition from established academies.
- Economic challenges and price competition.
- Competitors with larger marketing budgets and seasonal enrollment fluctuations.

SMART Objective

Goal 1

Increase Brand Awareness

- Reach 20,000+ parents in New Marg before 6 August.
- Promote the new branch through Facebook content and paid campaigns.

Goal 2

Build Parent Trust

- Strengthen parents' confidence through educational content, testimonials, and coach introductions.
- Achieve 500+ engagements before the opening.

Goal 3

Generate Registrations

- Generate 50 qualified leads
- Convert leads via Free Trial Day

Action Plan

1. Paid Advertising Campaigns

- Launch Facebook and Instagram Message campaigns targeting parents of children aged 5–17 in New Marg and nearby areas.
- Promote the new branch and free trial sessions using engaging Reels and videos.
- Retarget engaged users and optimize campaigns weekly based on cost per message and lead quality.
- Follow up with interested parents via WhatsApp and Messenger to increase registrations.
- Follow up with interested parents through WhatsApp and Messenger to increase registrations

2. Content Strategy

- Post 4 times per week
- 3 Reels (video content)
- 1 Image/Offer post
- Content types:
 - parents reviews
 - Awernis (First Dream)
 - Spotlight on Child Talents
 - Our Services

3. Visual Identity Improvement

- Design professional logo
- Select consistent brand colors
- Standardize post designs
- Improve Facebook page appearance
